WOMEN'S HEALTH

**Personalized care.
Expert Doctors.
The science-backed,
evidence-based,
digital health solution
for menopause**

How it Works

1 Tell us about yourself

Fill out a quick medical intake form, where you'll share your symptoms and medical history

2 Work with a physician

Your menopause-trained physician will work with you to create a personalized treatment plan

3 Get relief delivered

Once you approve your plan, we'll ship everything right to your door!

What Makes us Different

Our Expertise

Every practitioner we work with is a menopause-trained physician with decades of experience. They're experts in what you're going through, and know how to care for you

Unlimited, Ongoing Care

Message your doctor any time, from anywhere, for as long as you have an active prescription with us—no need to make an appointment! You'll be talking to the same doctor every time you reach out

Prescriptions Delivered to Your Door

We send everything right to you (with free shipping!) and refills come automatically. Get everything you need without having to wait in line at the pharmacy

Real Talk

What our customers are saying

★★★★★

"I started feeling like myself again after 2 weeks of starting my MHT. 😊"

—Debbie

★★★★★

"It was a quick and seamless process! The doctor was quick to email me and let me know what I would be getting. I feel amazing and I am SO GLAD I found Alloy!"

—Jean

★★★★★

"Deciding to trust Alloy to alleviate my menopausal symptoms was the best decision I have made for myself, possibly ever!"

—Elizabeth

★★★★★

"I am amazed at the difference in my face and neck from just two weeks of using M4. My fine lines have almost disappeared and my skin is definitely more supple. The product layers perfectly with my serums and Tretinoin and I love that it's fragrance free."

—Michelle
